

Bethesda Scholarships

Scholarships are a big part of the Bethesda Auxiliary's partnership with Bethesda. This year, **Bethesda is awarding \$32,000 in scholarships.**

The auxiliary sets aside special scholarships for those planning a career enhancing the lives of people with intellectual and developmental disabilities.

We invite students, high-school-aged and up, to apply for one of our three Bethesda Student Scholastic and Service Scholarships.

- **College and University Students:** Up to four \$3,000 scholarships will be awarded to Lutheran students pursuing undergraduate degrees in any academic area that will prepare them to serve and support people with intellectual and developmental disabilities.
- **Seminarian Students:** Up to six \$3,000 scholarships will be awarded to a Lutheran seminarian displaying interest in service to people with intellectual and developmental disabilities in a congregational setting. The scholarship application is open to all eligible seminary students.
- **High School Seniors:** Up to four \$500 scholarships will be awarded to Lutheran high school seniors pursuing a post-secondary degree in any academic area that will prepare them to serve and support people with intellectual and developmental disabilities.
